Robert M. Defino Class of 1955 Memorial Scholarship

Robert M. Defino was President of the Class of 1955. At our 50th reunion, in 2005, Bob suggested that in appreciation for the education and leadership received at the former Major Beal High School, the class should provide a scholarship to a deserving Shrewsbury High Graduate who has overcome some hardship or difficulty in his or her life, and has been accepted at a 2 or 4 year college. The Class of 1955 Memorial Scholarship was established in 2005. Bob passed away in 2007 and the class decided to rename the scholarship the Robert M. Defino Class of 1955 Memorial Scholarship.

We take great pleasure in awarding this scholarship to a graduating senior who has overcome personal hardship, shown improvement in academics, and has been involved in extra-curricular activities at Shrewsbury High School and in the broader community.
